

Output Transformer (Output to Line)

Primary Impedance: 75ohm

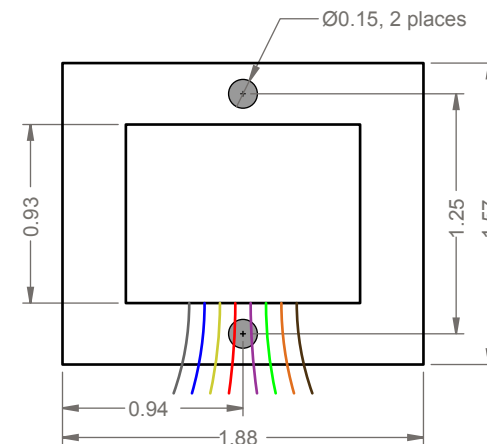

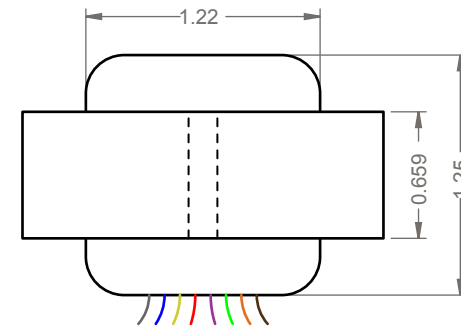

Secondary Minimum Load Impedance:
75ohm (1:1), 300ohm (1:2), 600ohm (1:3)

Classic EA2503 lead colors are identical
to the vintage AP2503 lead colors.

Flat Mount with standoffs, PCB cut-out, or
vertically with Keystone #708 threaded "L" bracket.
